Dear Mr. Guin:

Congratulations! **Historic Caddo Lake Drawbridge** has been selected as an official AAA Southern Traveler Travel Treasure.

AAA Southern Traveler read by more than 260,000 frequent travelers, features a series of four to six unique Southern attractions and events in each bimonthly issue. Known as Travel Treasures, these attractions are selected for their appeal to typical AAA members.

Enclosed is a copy of the January/February 2014 issue, which featured the event and a certificate that I hope will proudly be displayed. Also enclosed is a copy of the news release, which has been sent to newspapers in your area. If the news release generates clippings, please send us a copy.

Sincerely,
Deborah Reinhardt
